

Henry James

Another Jamesian look at Americans in Paris. What happens when a reporter for an American scandal sheet (*The Reverberator*) is looking for a good story, though one which might interfere with the marriage plans of a young American woman in the City of Light? This book has been described as "a delicious Parisian bonbon," and its generally good humor stands in contrast with some of the writer's other work. (Summary by Nicholas Clifford)

Read by Nicholas Clifford. Total running time: 5:29:35
